12 Describe the measures taken by the entity to ensure a safe and healthy work place.

On the initiative of Sh. Ashok Sarin, Founder Chairman of our Company, for the welfare of everyone and to ensure a safe and healthy work environment, the Company organizes free of cost mandatory employee health check-up programme and arranged periodic health camps to promote health awareness and ensure the well-being of the employees at “**Shri Ashok Sarin Health Centre**”.

Our buildings are thoughtfully designed, keeping the health and well-being of our employees and occupiers in mind. Different design elements ensure that the buildings offer a conducive work environment. These elements minimise stress or discomfort due to loud sounds, Insufficient light or excessive glare, or thermal stress in order to create ergonomically friendly spaces.

At Anant Raj, we have taken a number of steps to control the dust released from our projects.

- Each of our sites is surrounded by high barricades
- When not in use, construction materials kept on the ground or in vehicles are mandatorily covered

The Company is committed to continuously employing Safety, Health and Environment practices through benchmarking with the companies that are best in the business. We check for Air quality at our offices spaces and take regular measures to improve the same. Frequent equipment checks are carried out to mitigate any wear and tear due to continued use, E.g.: Air Conditioners, UPS, Stabilisers etc, Fire alarm systems and smoke detectors are installed at all premises. Fire extinguishers are kept filled to ensure effective use during any untoward incidents. The Company strives to use inflammable substitutes for its construction project sites. Project specific safety committee is established, and improvement areas are discussed.
