**Kind Attn. : Corporate Relationship Department**

**Subject : Business Responsibility and Sustainability Report of the Company for the Financial Year 2024-25**

**Ref : Regulation 34(2)(f) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations')**

Dear Sir/Madam,

This is in continuation to our intimation dated July 23, 2025, wherein the Annual Report of the Company for the Financial Year 2024-25, as circulated to the shareholders of the Company, was filed with the Stock Exchanges.

In this regard, pursuant to aforesaid Listing Regulations, we enclose herewith the 'Business Responsibility and Sustainability Report' of the Company for the Financial Year 2024-25, which also forms part of Annual Report of the Company and which was submitted with the Exchanges on July 23, 2025.

The said Business Responsibility and Sustainability Report of the Company is also available at the Investor Section on the website of the Company viz. [www.dishd2h.com](http://www.dishd2h.com).

You are requested to take the same on record and oblige.

Thanking you,

Yours truly,  
For **Dish TV India Limited**

Encl.: As above

## BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT (BRSR)

This Business Responsibility and Sustainability Report is testament to our accountability towards all our stakeholders. In line with the nine principles of National Guidelines on Responsible Business Conduct ("NGRBCs"), the report summarises our efforts to conduct our business with responsibility and consists of three Sections:

Section A provides a broad overview of the business, its offerings, business and operations footprint, employees, related parties, Corporate Social Responsibility (CSR) and transparency.

Section B covers management and process disclosures related to the businesses aimed at demonstrating the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

Section C provides indicator-wise disclosures mapped to the nine principles of NGRBC which are listed at the start of Section B.

### SECTION A GENERAL DISCLOSURES

#### I. Details of the listed entity

|    |                                                                                                                                  |                                                                                                            |

## SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements. These are briefly as under:

|           |                                                                                                                                     |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>P1</b> | Businesses should conduct and govern themselves with integrity and in a manner that is ethical, transparent and accountable         |
| <b>P2</b> | Businesses should provide goods and services in a manner that is sustainable and safe                                               |
| <b>P3</b> | Businesses should respect and promote the well-being of all employees, including those in their value chains                        |
| <b>P4</b> | Businesses should respect the interests of and be responsive to all its stakeholders                                                |
| <b>P5</b> | Businesses should respect and promote human rights                                                                                  |
| <b>P6</b> | Businesses should respect and make efforts to protect and restore the environment                                                   |
| <b>P7</b> | Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent |
| <b>P8</b> | Businesses should promote inclusive growth and equitable development                                                                |
| <b>P9</b> | Businesses should engage with and provide value to their consumers in a responsible manner                                          |

### Policy and Management processes

|       | Points                                                                                                                                                                                                                                                    | P1                                                                                                                                                                                                                                                                                                                                                                              | P2 | P3 | P4 | P5 | P6 | P7 | P8 | P9 |

The Company has 3 Subsidiaries viz Dish Infra Services Private Limited., C&S Medianet Private Limited and Dish Bharat Ventures Private Limited. For details, please refer to the related party schedule forming part of the Financial Statements of the Company.

# Dish TV India Ltd

## PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES IN A MANNER THAT IS SUSTAINABLE AND SAFE

### Essential Indicators

1. **Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.**

| S. No. | Segment | FY 2024-25 | FY 2023-24 | Details of improvements in environmental and social impacts |
|--------|---------|------------|------------|-------------------------------------------------------------|
| 1      | R&D     | NIL        |            |                                                             |
| 2      | Capex   |            |            |                                                             |

2. **a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)**

Yes. The entity endeavors to engage with suppliers who integrate environmental and social considerations into their products and services. Preference is always given to sourcing from local suppliers. The Company is a Direct to Home (DTH) operator and distributes the content which are made available by the Broadcasters. The Company supports the new entrants in the broadcasting business as well the regional players by distributing their content.

- b. If yes, what percentage of inputs were sourced sustainably? Not Applicable**

3. **Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste**

Given the nature of business, there is limited scope for reusing or recycling of products, however we have following practices for below mention waste categories.

- (a) Plastics (including packaging) - The Company generally engaged with a vendor partner who collects our wet and dry waste generated in normal operations to compost/recycle it in an eco-friendly manner.
- (b) E-waste - Our E-waste broadly includes computers and accessories, scanners, batteries, air conditioners etc. All such E-wastes are being disposed off through registered E-waste vendors.
- (c) Hazardous waste - Our services do not involve producing or disposing hazardous waste of any kind. Hence this is not applicable.
- (d) Other waste - There are no other kinds of waste generated in our office other than listed above.

4. **Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.**

Not Applicable

**PRINCIPLE 3: BUSINESSES SHOULD RESPECT AND PROMOTE THE WELL-BEING OF ALL EMPLOYEES, INCLUDING THOSE IN THEIR VALUE CHAINS**

**Essential Indicators**

**1. a. Details of measures for well-being of the employee**

| Category                       | % of employees covered by |                  |         |                    |         |                    |         |                    |         |                     |         |

**12. Describe the measures taken by the entity to ensure a safe and healthy workplace**

The Company is committed towards health & safety of its employees and has undertaken various awareness programmes on safety protocols by conducting periodic trainings on fire safety and evacuation drills, internal communication and alerts are sent out to employees, etc. The Company strongly pays its emphasis on both, the physical and mental well-being of its employees and has organised various workshops and discussions with well-being experts and medical practitioners.

**13. Number of Complaints on the following made by employees and workers**

|                    | FY 2024-25            |                                       |         | FY 2023-24            |                                       |         |
|--------------------|-----------------------|---------------------------------------|---------|-----------------------|---------------------------------------|---------|
|                    | Filed during the year | Pending resolution at the end of year | Remarks | Filed during the year | Pending resolution at the end of year | Remarks |
| Working Conditions | Nil                   | Nil                                   | NA      | Nil                   | Nil                                   | NA      |
| Health & Safety    | Nil                   | Nil                                   | NA      | Nil                   | Nil                                   | NA      |

Company has not received any complaint on "Health & Safety" and "Working Conditions" in FY25. However, the Company encourages its permanent & other than permanent employees to proactively submit safety observations and report unsafe acts and conditions at workplace as a preventive action.

**14. Assessments for the year**

| Particulars                 | % of your plants and offices that were assessed<br>(by entity or statutory authorities or third parties) |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Health and safety practices | 100%                                                                                                     |
| Working Conditions          | 100%                                                                                                     |

The Company strives to keep the workplace environment safe, hygienic and humane, upholding the dignity of the employee. Most of the premises of the Company is assessed internally on periodic basis for various aspects of health & safety.

**15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.**

While there were no reportable safety related incidents in the financial year. However, the Company undertake numerous initiatives to ensure the safety and security of employees and workers by undertaking following actions:

# Dish TV India Ltd

- Conduct regular audits and safety checks to ensure smooth and safe running of operations of Company.
- Employees are given regular fire safety and emergency evacuation training to deal with any kind of emergency where they would need to safely evacuate large numbers of people with varying abilities;
- Periodic safety performance evaluation of service providers.

## PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TO ALL ITS STAKEHOLDERS

### Essential Indicators

#### 1. Describe the processes for identifying key stakeholder groups of the entity.

The stakeholders are determined based on the significance of their impact on the business and the impact of the business on them.

#### 2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group

| Stakeholder Group         | Whether identified as Vulnerable & Marginalized Group (Yes/No) | Channels of communication<br>(Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website, Other) | Frequency of engagement<br>(Annually/<br>Half yearly/<br>Quarterly/others-<br>please specify) | Purpose and scope of engagement including key topics and concerns raised during such engagement                                                                                                                                                                                                                                                          |
|---------------------------|----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

#### 2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

No

**3. Provide details of the following disclosures related to water, in the following format:**

The company's use of water is strictly limited to human consumption. As we are not a manufacturing organization, the prescribed table does not apply to the company. In the office, efforts have been made to ensure that water is used sparingly.

| Parameter                                                                                                                                                           | FY 2024-25     | FY 2023-24     |

| <b>Total Scope 1 and Scope 2 emission intensity per rupee of turnover</b> adjusted for <b>Purchasing Power Parity (PPP)</b> (Total Scope 1 and Scope 2 GHG emissions/Revenue from operations adjusted for PPP) |                     |            |            |
| <b>Total Scope 1 and Scope 2 emission intensity in terms of physical output</b>                                                                                                                                |                     |            |            |
| <b>Total Scope 1 and Scope 2 emission intensity</b> (optional)<br>- the relevant metric may be selected by the entity                                                                                          |                     |            |            |

Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency

No

8. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details

Not Applicable

**9. Provide details related to waste management by the entity:**

Given the nature of industry in which the company operates, there is no manufacturing/ packaging process involved. The Company generally engaged with a vendor partner who collects our wet and dry waste generated in normal operations to compost/recycle it in an eco-friendly manner, however the details of waste generated have not been recorded or assessed.

| Parameter                                                                                                                                              | FY 2024-25     | FY 2023-24 |

| Total Waste generated (in metric tonnes)                                                                                                               |                |            |
| Plastic waste (A)                                                                                                                                      | Not Applicable |            |
| E-waste (B)                                                                                                                                            |                |            |
| Bio-medical waste (C)                                                                                                                                  |                |            |
| Construction and demolition waste (D)                                                                                                                  |                |            |
| Battery waste (E)                                                                                                                                      |                |            |
| Radioactive waste (F)                                                                                                                                  |                |            |
| Other Hazardous waste. Please specify, if any. (G)                                                                                                     |                |            |
| Other Non-hazardous waste generated (H).<br>Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)                 |                |            |
| Total (A + B + C + D + E + F + G + H)                                                                                                                  |                |            |
| Waste intensity per rupee of turnover (Total waste generated / Revenue from operations)                                                                | Not Applicable |            |
| Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)<br>(Total waste generated / Revenue from operations adjusted for PPP) |                |            |
| Waste intensity in terms of physical output                                                                                                            |                |            |
| Waste intensity (optional) - the relevant metric may be selected by the entity                                                                         |                |            |
| For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)                |                |            |
| Category of waste                                                                                                                                      | Not Applicable |            |
| (i) Recycled                                                                                                                                           |                |            |
| (ii) Re-used                                                                                                                                           |                |            |
| (iii) Other recovery operations                                                                                                                        |                |            |
| Total                                                                                                                                                  |                |            |
| For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)                                             |                |            |
| Category of waste                                                                                                                                      | Not Applicable |            |
| (i) Incineration                                                                                                                                       |                |            |
| (ii) Landfilling                                                                                                                                       |                |            |
| (iii) Other disposal operations                                                                                                                        |                |            |
| Total                                                                                                                                                  |                |            |

**Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.**

No

# Dish TV India Ltd

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes

As the Company is engaged in providing DTH and teleport services, the business does not discharge any effluent or waste. The company is not a manufacturing organization and hence there are no hazardous or toxic chemicals in our services. However, the Company has processes mentioned in its Code of Conduct which requires Directors/ Senior Management to reduce waste/ emissions under the head 'protection of the Company's assets'.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, specify details, in the following format:

| S. No. | Location of operations/offices | Type of operations | Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any. |
|--------|--------------------------------|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
|--------|--------------------------------|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|

Not Applicable

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year

| Name and brief details of project | EIA Notification No. | Date | Whether conducted by independent external agency (Yes / No) | Results communicated in public domain (Yes / No) | Relevant Web link |
|-----------------------------------|----------------------|------|-------------------------------------------------------------|--------------------------------------------------|-------------------|
|-----------------------------------|----------------------|------|-------------------------------------------------------------|--------------------------------------------------|-------------------|

Not Applicable

13. Is the entity compliant with the applicable environmental law / regulations / guidelines in India, such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment Protection Act, and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

| S. No. | Specify the law/ regulation/guidelines which was not complied with | Provided details of the non-compliance | Any fines /penalties / action taken by regulatory agencies such as pollution control boards or by courts | Corrective action taken, if any |
|--------|--------------------------------------------------------------------|----------------------------------------|----------------------------------------------------------------------------------------------------------|---------------------------------|
|--------|--------------------------------------------------------------------|----------------------------------------|----------------------------------------------------------------------------------------------------------|---------------------------------|

Yes, based on the nature of its business, the Company complies with applicable environmental norms.

## PRINCIPLE 7: BUSINESSES, WHEN ENGAGING IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A MANNER THAT IS RESPONSIBLE AND TRANSPARENT

### Essential Indicators

1. a. Number of affiliations with trade and industry chambers / associations: NIL
- b. List the top 10 trade and industry chambers / associations (determined based on the total members of such a body) the entity is a member of / affiliated to: NIL

| S. No. | Name of the trade and industry chambers/ associations | Reach of trade and industry chambers/ associations (State/National) |
|--------|-------------------------------------------------------|---------------------------------------------------------------------|
|--------|-------------------------------------------------------|---------------------------------------------------------------------|

NA

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

| Name of authority | Brief of the case | Corrective action taken |
|-------------------|-------------------|-------------------------|
|-------------------|-------------------|-------------------------|

There are no cases of anti-competitive conduct on the Company in FY 2024-25.

## PRINCIPLE 8: BUSINESSES SHOULD PROMOTE INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

### Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current FY 2025

| Name and brief details of project | SIA Notification No. | Date of notification | Whether conducted by independent external agency (Yes / No) | Results communicated in public domain (Yes / No) | Name and Relevant Web link |
|-----------------------------------|----------------------|----------------------|-------------------------------------------------------------|--------------------------------------------------|----------------------------|
|-----------------------------------|----------------------|----------------------|-------------------------------------------------------------|--------------------------------------------------|----------------------------|

Not Applicable

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity in the following format

| S. No. | Name of Project for which R&R is ongoing | State | District | No. of Project Affected Families (PAFs) | % of PAFs covered by R&R | Amounts paid to PAFs in the FY (in INR) |
|--------|------------------------------------------|-------|----------|-----------------------------------------|--------------------------|-----------------------------------------|
|--------|------------------------------------------|-------|----------|-----------------------------------------|--------------------------|-----------------------------------------|

Not Applicable

3. Describe the mechanisms to receive and redress grievances of the community

Through mail provided on Dish TV Website under Contact us section.

Weblink- <https://www.dishd2h.com/shareholder-services/>

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers

| Category of waste                                                   | FY 2024-25 | FY 2023-24 |
|---------------------------------------------------------------------|------------|------------|
| Directly sourced from MSMEs/ small producers                        | 2.98%      | 1.54%      |
| Sourced directly from within the district and neighboring districts | 97.02%     | 98.46%     |

*Note: the reference to district and neighboring district are in relation to the district where the registered office, corporate office and bureau office is situated*

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost

| Location     | FY 2024-25 | FY 2023-24 |
|--------------|------------|------------|
| Rural        | Nil        | Nil        |
| Semi-urban   | Nil        | Nil        |
| Urban        | 98%        | 98%        |
| Metropolitan | 2%         | 2%         |

## PRINCIPLE 9: BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER

### Essential Indicators

#### 1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback

- Procedure and benchmark for complaint redressal:
  - o Complaints handling by customer care centre —
    - Company ensures that the customer care centre, immediately upon receipt of a complaint from a subscriber, registers such complaint each time and allots a unique number to be called the docket number:.
    - Company ensures that the customer care centre-
      - at the time of registering of the complaint, communicates to the subscriber the docket number, date and time of registration of the complaint and the time within which the complaint is likely to be resolved; and
      - on resolution of the complaint, communicates to the subscriber, the details of the action taken on the complaint and also the name and contact number of the nodal officer for further redressal of complaint, if the subscriber is not satisfied.
  - o Time limit for redressal of complaints - Company adheres to the following time limits for redressal of complaints of the subscribers- all complaints (received during office working hours) are responded to within eight hours of receipt of the complaint:
 

at least ninety percent of all 'no signal' complaints received are redressed and signal restored within twenty four hours of receipt of such complaint;
  - o Redressal of complaints by nodal officers.
    - Company has appointed nodal officers for every State in which it is providing broadcasting services related to television, for the redressal of complaints of subscribers.
    - In case a subscriber is not satisfied with the redressal of complaint by the customer care centre, such subscriber may approach the nodal officer of the Company for redressal of his complaint.
  - o Through web based complaint management system.

The Company also provides resolution of complaint through web-based complaint system

#### 2. Turnover of products and / services as a percentage of turnover from all products/ service that carry information about

| State                                                       | As a percentage to total turnover |
|-------------------------------------------------------------|-----------------------------------|
| Environmental and social parameters relevant to the product | Not Applicable                    |
| Safe and responsible usage                                  |                                   |
| Recycling and/or safe disposal                              |                                   |

#### 3. Number of consumer complaints in respect of the following:

|                                | FY 2024-25               |                                   | Remarks | FY 2023-24               |                                   | Remarks |
|--------------------------------|--------------------------|-----------------------------------|---------|--------------------------|-----------------------------------|---------|
|                                | Received during the year | Pending resolution at end of year |         | Received during the year | Pending resolution at end of year |         |
| Data privacy                   | Nil                      | NA                                | -       | Nil                      | NA                                | -       |
| Advertising                    | Nil                      | NA                                | -       | Nil                      | NA                                | -       |
| Cyber-security                 | Nil                      | NA                                | -       | Nil                      | NA                                | -       |
| Delivery of essential services | Nil                      | NA                                | -       | Nil                      | Nil                               | -       |
| Restrictive Trade Practices    | Nil                      | NA                                | -       | Nil                      | NA                                | -       |
| Unfair Trade Practices         | Nil                      | NA                                | -       | Nil                      | NA                                | -       |
| Other (Customer Complaints)    | 80,44,933                | 4,038                             | -       | 95,97,107                | 22,412                            | -       |

**4. Details of instances of product recalls on accounts of safety issues**

|                   | Number                                                                                | Reason for recall |
|-------------------|---------------------------------------------------------------------------------------|-------------------|
| Voluntary recalls | Since Company is not a manufacturing entity, hence this clause will not be applicable |                   |
| Forced recalls    |                                                                                       |                   |

**5. Does the entity have a framework / policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy**

Yes, the company has Information Security Policy in place which covers information related to cyber security and risks related to data privacy and the same is accessible to all employees of the Company through Internal Portal.

**6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services**

Not Applicable

**7. Provide the following information relating to data breaches:**

- Number of instances of data breaches** - NIL
- Percentage of data breached involving personally identifiable information of customers**- NIL
- Impact, if any, of the data breaches**- Not Applicable
