S. No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Energy Consumption	Risk and Opportunity	Risk: The operational activities of the company necessitate a substantial quantity of energy in our manufacturing process. Opportunity: Ganesha has the potential to transition to the utilization of energy-efficient technologies like solar panels, resulting in reduced operational expenses and a diminished carbon footprint.	The Company is committed to efficiently utilize its resources and ensure minimum consumption in all its processes. With energy saving initiatives, process optimisation and overall operations efficiency, the Company shall be able to optimise its energy consumption and reduce carbon emissions.	Negative: Increase in operational costs. Positive: Significant cost savings over the long term.
2.	Waste Management	Opportunity	Ganesha's core emphasis is on processing of Polyethylene Terephthalate (PET) waste. Go Rewise, launched by the Company, envisions to close the plastic recycling loop, fulfilling the demand for quality recycled packaging products.	-	Positive

S. No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
3.	Materials Sourcing & Efficiency	Risk	From a risk perspective, Ganesha may encounter difficulties in procuring an adequate supply of PET waste for recycling purposes.	Ganesha maintains an extensive PET waste collection network, ensuring cost-effective material acquisition.	Negative: Ineffective material sourcing methods might lead to increased expenses and reduced profit margins, ultimately affecting the financial health.
4.	Business Model Resilience	Opportunity	Business Model Resilience represents a notable opportunity for Ganesha, enabling it to adapt and thrive amidst evolving market conditions and challenges, such as regulatory changes and shifts in consumer preferences.	-	Positive: Ganesha can expand its market share, bolster sales revenue, and attract a broader customer base.
5.	Growing Demand for Sustainable Products	Opportunity	Ganesha recognizes the changing consumer trend towards sustainability and the increasing desire for eco-friendly products. To leverage this opportunity, Ganesha has positioned itself as a premier PET recycling and processing leader. This allows Ganesha to supply high-quality, sustainable materials to the textile and packaging sectors, addressing the rising demand for environmentally conscious alternatives.	-	Positive: This strategy can lead to positive financial outcomes through increased sales, premium pricing, market leadership, enhanced brand reputation.

10. Waste management practices adopted in the establishment:

Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

The main area of focus for Ganesha is centred on the processing of PET plastic waste. Consequently, Ganesha has taken measures to ensure that 100% of this category of waste is deemed suitable for recycling. This approach guarantees that there is negligible residual waste generated from the PET plastic processing activities.

Additionally, it follows a practice of processing all incoming materials to ensure that they are recyclable. Any waste generated during the processing of PET plastic is subjected to recycling as part of the company's operational procedures.

Furthermore, Ganesha conducts its operations without employing any hazardous chemicals during the PET plastic processing phase. This aspect aligns with the nature of Ganesha's business and its commitment to operate in an environmentally conscious manner.
