## SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements. **The National Guidelines on Responsible Business Conduct (NGRBC) were prescribed by the Ministry of Corporate Affairs (MCA), Government of India, in 2018 They are built over the National Voluntary Guidelines on the Social, Environmental and Economic Responsibilities of Business (NVGs) released by the MCA in 2011. The NGRBC have been designed to guide businesses to perform beyond the requirements of regulatory compliance and contribute towards wider developmental goals including environmental and social.**

**The NGRBC advocates for nine principles referred as P1-P9 as given below:**

**P1** Businesses should conduct and govern themselves with integrity and in a manner that is Ethical, Transparent and Accountable.

**P2** Businesses should provide goods and services in a manner that is sustainable and safe.

**P3** Businesses should respect and promote the well-being of all employees, including those in their value chains.

**P4** Businesses should respect the interests of and be responsive to all its stakeholders.

**P5** Businesses should respect and promote human rights.

**P6** Businesses should respect and make efforts to protect and restore the environment.

**P7** Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

**P8** Businesses should promote inclusive growth and equitable development.

**P9** Businesses should engage with and provide value to their consumers in a responsible manner.

| 7. Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)<br>IFCI Ltd. is conscious of the environment, social well-being of the community and best governance practices while conducting its business. The Company strives to follow applicable directions/guidelines provided by the Government of India. Further, efforts are being made on the ESG front to contribute to the community either through CSR activities or supporting the GoI in the initiative made in this regard. It also provides employees and business associates with working conditions that are clean, safe, healthy and fair. To achieve these commitments, IFCI has a separate CSR Policy and Code of Conduct. |                                                                                                                                                                                                                                                                                                                                                                                                                   |     |     |     |     |     |     |     |     |                                                                                                          |     |     |     |     |     |     |     |     |

All Company policies undergo periodic assessments or are reviewed on need basis. If necessary, revisions to policies and associated procedures are implemented to ensure ongoing effectiveness. The Committee of Directors / Board is then presented with these reviewed and, if applicable, revised policies for their consideration and approval. |     |     |     |     |     |     |     |     | Annual Review                                                                                            |     |     |     |     |     |     |     |     |
| Compliance with statutory requirements of relevance to the principles, and, rectification of any non-compliances                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                   |     |     |     |     |     |     |     |     |                                                                                                          |     |     |     |     |     |     |     |     |
| 11. Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/No). If yes, provide name of the agency.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | P 1                                                                                                                                                                                                                                                                                                                                                                                                               |     | P 2 |     | P 3 |     | P 4 |     | P 5 |                                                                                                          | P 6 |     | P 7 |     | P 8 |     | P 9 |     |

**@ Benefits of Green Buildings:-**

Green buildings can have tremendous benefits, both tangible and intangible. The most tangible benefits are the reduction in water & energy consumption. The operational savings through energy & water efficiency could range from 5 - 10 %. The consumer waste generated in the building can also be substantially reduced. Intangible benefits of green buildings include enhanced air quality, health & higher satisfaction levels of occupants. National Priorities Addressed in the Rating System:

- Water Conservation
- Handling of Consumer Waste
- Energy Efficiency
- Reduced Dependency on Virgin Materials
- Health and Well-being of Occupants.

**12.** If answer to question (1) above is “No” i.e. not all Principles are covered by a policy, reasons to be stated:

|---------------------------------------------------------------------------------------------------------------------------------|-----|-----|-----|-----|-----|-----|-----|-----|-----|
| The entity does not consider the Principles material to its business (Yes/No)                                                   |     |     |     |     |     |     |     |     |     |
| The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No) |     |     |     |     |     |     |     |     |     |
| The entity does not have the financial or/human and technical resources available for the task (Yes/No)                         |     |     |     |     |     |     |     |     |     |
| It is planned to be done in the next financial year (Yes/No)                                                                    |     |     |     |     |     |     |     |     |     |
| Any other reason (please specify)                                                                                               |     |     |     |     |     |     | #   |     |     |

(#) IFCI being a NBFC, this principle is not applicable or has limited applicability. Further, IFCI do not advocate public policy. However, the company strives to follow applicable directions/guidelines provided by Government of India.

## SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

### PRINCIPLE 1 Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

#### ESSENTIAL INDICATORS

1. Percentage coverage by training and awareness programmes on any of the Principles during the financial year:

| Segment                         | Total number of training and awareness programmes held | Topics/Principles covered under the training and its impact                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | %age of persons in respective category covered by the awareness programmes |

\*Note: For the financial year 2024-25, NSE & BSE has imposed fine of ₹77,52,600/- for non-compliance with the provisions with respect to composition of the Board and various Board level committees as stipulated under Listing Regulations due to absence of requisite number of Independent Directors (including woman Independent Director) on the Board of the Company. It is pertinent to mention that the power to appoint Independent Directors vest with the Ministry administratively in-charge of the Company. The Company is in non-compliance of the Listing Regulations with respect to the composition of the Board and its Committees, which is beyond the control of the Company and its Board of Directors. Accordingly, IFCI has been requesting Ministry administratively in-charge for appointment of requisite number of Independent Directors (including woman independent director) on the Board of the Company.

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed. **Not Applicable. The Company has requested the Stock Exchanges not to impose fine and/or take any action vide SEBI Master Circular dated November 11, 2024, against the company, as IFCI is a Government Company and the power to appoint Independent Directors vest with the Ministry administratively in-charge of the Company.**

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the Policy.

**In order to guarantee fair dealing and transparency in its operations, the following preventive measures have been adopted by the Company**

- Fair practice code -The Guidelines for Fair Practice Code for IFCI is available on website of the Company at the link <http://www.ifciltld.com/?q=en/content/fair-practice-code>
  - The Company is following procedures and norms of CVC regarding anti-corruption and anti-bribery and also the PIDPI Resolution (GoI Resolution on Public Interest Disclosure and Protection of Information) relating to complaints for disclosure on any allegation of corruption or misuse of office wherein CVC is Designated Agency.
  - Apart from the above, IFCI has also adopted Whistle Blower Policy and the same is available on the link <https://www.ifciltld.com/?q=en/content/policies>
  - With reference to award of contract, IFCI has Centralized Procurement Policy approved by Board of Directors of IFCI.
5. Number of Directors / KMPs / employees / workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery / corruption:

**No charges of bribery/corruption have been levied on the Company's Directors/KMPs/ employees/workers. Hence, there has been no need for disciplinary action.**

6. Details of complaints with regard to conflict of interest:

**No complaints were received regarding conflict of interest in the reporting period.**

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest. **Not Applicable, since no case has been reported.**

8. Number of days of accounts payables ((Accounts payable \*365) / Cost of goods/services procured) in the following format: **Considering the nature of the business of the entity, the above-mentioned point is Nil.**

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

| Parameter                  | Metrics                                                                                  | FY 2024-25 (Current Financial Year)                                                                                      | FY 2023-24 (Previous Financial Year)                                                                                     |

|                            | d. Investments ( Investments in related parties / Total Investments made)                | The outstanding investment as on March 31, 2025, in subsidiaries is ₹1524.27 crore, i.e. 43.85% of the total investment. | The outstanding investment as on March 31, 2024, in subsidiaries is ₹1546.41 crore, i.e. 39.29% of the total investment. |

#### LEADERSHIP INDICATORS

- Awareness programmes conducted for value chain partners on any of the Principles during the financial year:

| Total number of awareness programmes held | Topics / principles covered under the training | %age of value chain partners covered (by value of business done with such partners) under the awareness programmes |
|-------------------------------------------|------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| Nil                                       |                                                |                                                                                                                    |

- Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same.  
**Yes, to effectively navigate these conflicts, a well-defined procedure envisaged under the Code of Conduct for Board members and senior management, is in place, which covers inter-alia the process of dealing with conflict of interests . Further, the Directors should abstain themselves from participating in discussions or decisions where a conflict of interest may exist. The Board of Directors and senior management are required to submit an annual declaration, affirming their commitment to abiding by the Code of Conduct.**

The Code is available at <https://www.ifciltld.com/?q=en/content/code-conduct>.

#### PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe

##### ESSENTIAL INDICATORS

- Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

**Nil, as the Company works in the financial services domain, the scope of Research & Development and Capital Expenditure for such technologies is limited.**

- Does the entity have procedures in place for sustainable sourcing?

**Given the specific nature of our business operations, certain industry standards may not be applicable to our company. Nonetheless, the Company diligently adhere to the procurement guidelines established by the Government of India (GoI).**

**The Company has in place Centralised Procurement Policy of IFCI. The same was last reviewed in May 2025, in terms of latest policies and procedures with governing rules on the lines of (i) Manual on Procurement of Goods, (ii) Manual on Procurement of Works and (iii) Manual on Procurement of Consultancy & Other Services, wherein all the CVC guidelines on public procurement have been merged.**

**The Policy is available on the link <https://www.ifciltld.com/?q=en/content/policy-manual>**

**IFCI is availing services of Government E-Market Place (GeM) and CPP Portal (Central Public Procurement Portal) ensuring a streamlined and efficient sourcing process.**

- If yes, what percentage of inputs were sourced sustainably?

**During the FY 2024–2025, out of total purchases 75.16% purchases of goods and services were made through Government E-Market Place (GeM).**

- Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste. **Due to the nature of business and operations, the Company has discontinued single use plastic based stationery items and crockery items for day to day use and small amount of paper and food waste is being disposed-off through authorised vendor.**
- Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same. **Not Applicable, as the Company is not involved in the manufacturing or selling of tangible products.**

#### LEADERSHIP INDICATORS

- Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

**IFCI being an NBFC, this principle is not applicable or has limited applicability. However, the Company strives to follow applicable directions/guidelines provided by Government of India.**

- If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same. **Not Applicable**

- Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

**Considering the nature of business and operations, the percentage of recycled or reused input material used by the Company is negligible.**

- Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed: **Not Applicable, as IFCI is not into manufacturing of products.**

- Reclaimed products and their packaging materials (as percentage of products sold) for each product category. **Not Applicable, in view of the nature of business and operations.**

**PRINCIPLE 3: Businesses should respect and promote the well-being of all employees, including those in their value chains**

**Essential Indicators**

3. Accessibility of workplaces

Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

**Yes, the premises / offices of IFCI Ltd. are accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016.**

To suit the special needs of differently abled people, IFCI has created special facilities such as ramps, handrails, washroom and made other necessary changes as per requirements:-

- Ramp/Railing and Assembly Area:** - IFCI has a special facility of ramps, assembly area and rails for the differently abled person. The dedicated entrance and exit are clearly and easily accessible as there are no steps. In the premises ramp and rails are arranged which is beneficial to wheelchair users. Security people also assist them.
- Washroom:** - Spacious Washroom is available in IFCI Tower for Divyangjan. The same is clearly identifiable and accessible.
- Rest Room:** - There is a restroom on the ground floor lobby for the differently abled people where they can rest when they need it or feel tired.
- Lifts:** - The handrails, braille buttons and voice recognition facilities etc. are available in lifts for differently abled people. Both service lifts lands on each floor.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

**Yes, IFCI has an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016. The web link is: <https://www.ifciltld.com/2019/Equal%20Opportunity%20Policy%201.pdf>**

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

| Gender       | Permanent employees |                    | Permanent workers * |                |
|--------------|---------------------|--------------------|---------------------|----------------|
|              | Return to work rate | Retention rate (%) | Return to work rate | Retention rate |
| Male         | 2                   | 100                | NA                  | NA             |
| Female       | 3                   | 100                | NA                  | NA             |
| <b>Total</b> | 5                   | 100                | NA                  | NA             |

\* No worker availed Parental Leave during the year

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

|                                | Yes / No (If yes, the details of the mechanism in brief)                                                                                                                                                                                                                                           |

**Yes, IFCI has an internal policy which provides for utilisation of the experience and expertise of retired official through engagement for fixed tenure.**

5. Details on assessment of value chain partners:

|                           | % of value chain partners (by value of business done with such partners) that were assessed                                                             |
|---------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Health & Safety practices | While engaging with value chain partners, IFCI ensures that all vendors follow safety practices in their offices, manufacturing processes and services. |
| Working Conditions        |                                                                                                                                                         |

6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners. **No negative impact from current safety practices and working conditions of different vendors.**

**PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders**

**Essential Indicators**

1. Describe the processes for identifying key stakeholder groups of the entity.  
**No such process has been defined, however in view of the business activity of the listed company and being an NBFC, the categories of stakeholders are mentioned in point no 2 below.**
2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

| Stakeholder Group                         | Whether identified as Vulnerable & Marginalized Group (Yes/No) | Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other | Frequency of engagement (Annually/Half yearly/ Quarterly /Others – please specify) | Purpose and scope of engagement including key topics and concerns raised during such engagement |
|-------------------------------------------|----------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|
| Promoter                                  | No                                                             | Emails, Letters, Personal visits, presentations                                                                               | As and when required                                                               | Promoter being the Government, the engagement is approvals, permissions based.                  |
| Security holders (Equity and Bondholders) | No                                                             | Emails, SMS, Newspaper, Notices, Website etc                                                                                  | Event Based, Half Yearly, Quarterly and Annually                                   | Repayments, Meetings updates, KYC related, grievance related                                    |
| Clients (Advisory business)               | No                                                             | Website, Emails, Personal visits, presentations                                                                               | Event based                                                                        | Work order/ Project related                                                                     |
| Employees (Including retired employees)   | No                                                             | Emails, Website, Intranet, Internal Meetings                                                                                  | Event based                                                                        | Trainings, Work orders, Grievances etc.                                                         |
| Regulatory Authorities                    | No                                                             | Emails, Telephonically, Website etc                                                                                           | Quarterly, Event based                                                             | Compliance updates                                                                              |
| Borrowers                                 | No                                                             | Website, Emails, Personal visits                                                                                              | Monthly, Quarterly                                                                 | Follow ups and Routine updates                                                                  |
| Lenders                                   | No                                                             | Website, Emails, Personal visits                                                                                              | Monthly, Quarterly, Event based                                                    | Follow ups, Routine updates                                                                     |

**LEADERSHIP INDICATORS**

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.  
**At IFCI, we engage actively with stakeholders to effectively communicate our strategies and achievements. IFCI follows the Guidelines prescribed at regular intervals by the authorities, concerned Ministry w.r.t. Environmental and Social topics.**
2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity. **Not Applicable**
3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.  
**IFCI is registered on GeM and the Company promotes procurement from MSMEs. Further, IFCI is also registered on TReDS. Payments are made timely to MSMEs.**

**PRINCIPLE 5: Business should respect and promote human rights.**
**ESSENTIAL INDICATORS**

- Employees and workers who have been provided training on human rights issues and policy(ies) of the entity : Nil
- Details of minimum wages paid to employees and workers, in the following format:

| Category             | FY 2024-25<br>Current Financial Year |                       |        |                        |        | FY 2023-24<br>Previous Financial Year |                       |        |                        |        |
|----------------------|--------------------------------------|-----------------------|--------|------------------------|--------|---------------------------------------|-----------------------|--------|------------------------|--------|
|                      | Total (A)                            | Equal to Minimum Wage |        | More than Minimum Wage |        | Total (D)                             | Equal to Minimum Wage |        | More than Minimum Wage |        |
|                      |                                      | No. (B)               | %(B/A) | No. (C)                | %(C/A) |                                       | No. (E)               | %(E/D) | No. (F)                | %(F/D) |

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 during FY 2024-25 and previous year : **Nil**
8. Mechanism to prevent adverse consequences to the complainant in discrimination and harassment cases.
- The cases of complaints regarding Sexual Harassment are regulated by the provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013, which has built in safeguards against any adverse consequences to the complainant. Besides, IFCI also has Liaison Officers and Employee Association for SC/ST employees which cater to the issues raised by employees belonging to marginalised sections of society, including discrimination at workplace.**
- Pursuant to the Whistle Blower Policy of the Company, necessary mechanism has been put in place to provide protection to the complainant, wherever required. The Whistle Blower Policy is available at [https://www.ifcilttd.com/2025/Whistle%20Blower%20Policy\\_Vigil%20Mechanism.pdf](https://www.ifcilttd.com/2025/Whistle%20Blower%20Policy_Vigil%20Mechanism.pdf).**
9. Do human rights requirements form part of your business agreements and contracts? (Yes/No) - **Yes**
10. Assessments for the year:

|                             | % of your plants and offices that were assessed (by entity or statutory authorities or third parties) |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Child Labour                | <b>NIL</b>                                                                                            |
| Forced/Involuntary Labour   |                                                                                                       |
| Sexual Harassment           |                                                                                                       |
| Discrimination at workplace |                                                                                                       |

| Others – please specify     |                                                                                                       |

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 Above. **Nil**

#### LEADERSHIP INDICATORS

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.
- Employee Grievances are redressed through a Grievance Redressal System which has fairly wide scope to cover such issues pertaining to Human Rights. Besides, IFCI has an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016, for ensuring protection of Rights of Persons with Disabilities.**
2. Details of the scope and coverage of any Human rights due-diligence conducted. **Not Applicable**
3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016? **Yes, IFCI is focused on creating an inclusive environment for everyone, including individuals with special needs, who are important members of our team and customer community. Our offices are designed to be accessible, with features like ramps, wheelchair-accessible restrooms and clear signage to ensure comfort and independence for all. We are always working on improving our inclusivity efforts because we believe that embracing diversity makes our Company stronger and enriches the lives of our stakeholders.**
4. Details on assessment of value chain partners: **Nil**
5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above. **Not Applicable**

#### PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment.

##### Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

| Parameter                                                                                                                                                   | FY 2024-25<br>(Current Financial Year) | FY 2023-24<br>(Previous Financial Year) |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|-----------------------------------------|
| <b>From renewable sources</b>                                                                                                                               |                                        |                                         |
| Total electricity consumption (A)                                                                                                                           | NIL                                    | NIL                                     |
| Total fuel consumption (B)                                                                                                                                  | NIL                                    | NIL                                     |
| Energy consumption through other sources (C)                                                                                                                | NIL                                    | NIL                                     |
| <b>Total energy consumed from renewable sources (A+B+C)</b>                                                                                                 | <b>NIL</b>                             | <b>NIL</b>                              |
| <b>From non-renewable sources</b>                                                                                                                           |                                        |                                         |
| Total electricity consumption (D)                                                                                                                           | 7785.41 GJ                             | 8212.75 GJ                              |
| Total fuel consumption (E)                                                                                                                                  | 5.7 GJ                                 | 2.95 GJ                                 |
| Energy consumption through other sources (F)                                                                                                                | Nil                                    | NIL                                     |
| <b>Total energy consumed from non-renewable sources (D+E+F)</b>                                                                                             | <b>7791.10 GJ</b>                      | <b>8215.70 GJ</b>                       |
| <b>Total energy consumed (A+B+C+D+E+F)</b>                                                                                                                  | <b>7791.10 GJ</b>                      | <b>8215.70 GJ</b>                       |
| <b>Energy intensity per rupee of turnover</b> (Total energy consumed / Revenue from operations)                                                             | 11.45 GJ/Crore                         | 9.78 GJ/Crore                           |
| <b>Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)</b> (Total energy consumed / Revenue from operations adjusted for PPP) | 233.90 GJ/Crore                        | 198.42 GJ/Crore                         |
| <b>Energy intensity in terms of physical output</b>                                                                                                         | -                                      | -                                       |
| Energy intensity (optional) – the relevant metric may be selected by the entity                                                                             | -                                      | -                                       |

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. **No**

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any. **Nil**

3. Provide details of the following disclosures related to water, in the following format:

| Parameter                                                                                                                                                       | FY 2024-25<br>(Current Financial Year) | FY 2023-24<br>(Previous Financial Year) |

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. **No**

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation. **Not Applicable**
6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format: **Not Applicable as IFCI is not a manufacturing company.**

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

| Parameter                                                                                                                                                                                                 | Unit                                                                     | FY 2024-25 (Current Financial Year) | FY 2023-24 (Previous Financial Year) |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|-------------------------------------|--------------------------------------|
| <b>Total Scope 1 emissions</b> (Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available)                              | Metric tonnes of CO <sub>2</sub> equivalent                              | 1548.431                            | 1633.425                             |
| <b>Total Scope 2 emissions</b> (Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available)                              | Metric tonnes of CO <sub>2</sub> equivalent                              | 5.283                               | 6.073                                |
| <b>Total Scope 1 and Scope 2 emissions per rupee of turnover</b> (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)                                                                      | Per crore of Consolidated Total Revenue from Operations                  | 0.00000023                          | 0.00000020                           |
| <b>Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)</b> (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP) | Per crore of Consolidated Total Revenue from Operations adjusted for PPP | 0.00000047                          | 0.00000040                           |
| <b>Total Scope 1 and Scope 2 emission intensity in terms of physical output</b>                                                                                                                           |                                                                          | Not Applicable                      | Not Applicable                       |
| <b>Total Scope 1 and Scope 2 emission intensity (optional)-the relevant metric may be selected by the entity.</b>                                                                                         |                                                                          | -                                   | -                                    |

8. Does the entity have any project related to reducing Green House Gas emissions? If yes, then provide details. **Nil**
9. Provide details related to waste management by the entity, for FY 2024-25 and previous financial year : **The entity does not generate any hazardous waste however; daily routine garbage disposed of through AMC Service provider.**
10. Briefly describe the waste management practices adopted in your establishment. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practice adopted to manage such waste. **The entity does not generate any hazardous waste however; daily routine garbage disposed of through AMC Service provider.**
11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

| S. No.         | Location of operations/offices | Type of operations | Whether the conditions of environmental approval / clearance are being complied with? (Y/N)<br>If no, the reasons thereof and corrective action taken, if any. |
|----------------|--------------------------------|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Not Applicable |                                |                    |                                                                                                                                                                |

12. Details of environment impact assessment of projects undertaken by the entity based on applicable laws, in the current financial year:

| S. No.         | Location of operations/offices | Type of operations | Whether the conditions of environmental approval / clearance are being complied with? (Y/N)<br>If no, the reasons thereof and corrective action taken, if any. |
|----------------|--------------------------------|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Not Applicable |                                |                    |                                                                                                                                                                |

13. Is the entity compliant with the applicable environment law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliance, in the following format:

| S. No.                                                                                                      | Specify the law / regulation / guidelines which was not complied with | Provide details of the non-compliance | Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts | Corrective action taken, if any |
|-------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|---------------------------------------|-----------------------------------------------------------------------------------------------------------|---------------------------------|
| Yes, IFCI complies with all applicable environmental regulations in respect of its premises and operations. |                                                                       |                                       |                                                                                                           |                                 |

#### LEADERSHIP INDICATORS

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres): **Nil**  
For each facility/plant located in areas of water stress, provide the following information:
- Name of the area
  - Nature of operations
  - Water withdrawal, consumption and discharge in the following format:

| Parameter                                                                     | FY 2024-25<br>(Current Financial Year) | FY 2023-24<br>(Previous Financial Year) |
|-------------------------------------------------------------------------------|----------------------------------------|-----------------------------------------|
| Water withdrawal by source (in kilolitres)                                    |                                        |                                         |
| (i) Surface water                                                             | Not Applicable                         |                                         |
| (ii) Groundwater                                                              |                                        |                                         |
| (iii) Third party water                                                       |                                        |                                         |
| (iv) Seawater / desalinated water                                             |                                        |                                         |
| (v) Others                                                                    |                                        |                                         |
| Total volume of water withdrawal (in kilolitres)                              |                                        |                                         |
| Total volume of water consumption (in kilolitres)                             |                                        |                                         |
| Water intensity per rupee of turnover<br>(Water consumed / turnover)          |                                        |                                         |
| Water intensity(optional) – the relevant metric may be selected by the entity |                                        |                                         |
| Water discharge by destination and level of treatment (in kilolitres)         |                                        |                                         |
| (i) Into Surface water                                                        | Not Applicable                         |                                         |
| - No treatment                                                                |                                        |                                         |
| - With treatment – please specify level of treatment                          |                                        |                                         |

| - No treatment                                                                |                                        |                                         |
| - With treatment – please specify level of treatment                          |                                        |                                         |
| (iii) Into Seawater                                                           |                                        |                                         |
| - No treatment                                                                |                                        |                                         |
| - With treatment – please specify level of treatment                          |                                        |                                         |
| (iv) Sent to third-parties                                                    |                                        |                                         |
| - No treatment                                                                |                                        |                                         |
| - With treatment – please specify level of treatment                          |                                        |                                         |
| (v) Others                                                                    |                                        |                                         |
| - No treatment                                                                |                                        |                                         |
| - With treatment – please specify level of treatment                          |                                        |                                         |
| Total water discharged (in kilolitres)                                        |                                        |                                         |

Note: Indicate if any independent assessment/ evaluation/ assurance has been carried out by an external agency? (N/Y) If yes, name of the external agency. **No.**

2. Please provide details of total Scope 3 emissions & its intensity, for the FY 2024-25 and previous financial year :

| Parameter                                                                                                                                                          | Unit                                              | FY 2024-25<br>(Current Financial Year) | FY 2023-24<br>(Previous Financial Year) |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------|----------------------------------------|-----------------------------------------|
| <b>Total Scope 3 emissions (Break-up of the GHG into CO<sub>2</sub>, CH<sub>4</sub>, N<sub>2</sub>O, HFCs, PFCs, SF<sub>6</sub>, NF<sub>3</sub>, if available)</b> | <b>Metric tonnes of CO<sub>2</sub> equivalent</b> | Nil                                    |                                         |
| <b>Total Scope 3 emissions per rupee of turnover</b>                                                                                                               |                                                   |                                        |                                         |
| <b>Total Scope 3 emission intensity (optional)– the relevant metric may be selected by the entity</b>                                                              |                                                   |                                        |                                         |

Note: Indicate if any independent assessment/ evaluation/ assurance has been carried out by an external agency? If yes, name of the external agency. **No**

3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities. **Not Applicable**

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions/ effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format: **Not Applicable**
5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/web link.  
**Yes, IFCI has Board-approved Business Continuity Policy in place. The Oracle database and CIIS applications are hosted on Oracle Cloud Infrastructure (OCI), with the Disaster Recovery (DR) site maintained on-premises at the IFCI Data Center, 10th Floor, Head Office, New Delhi. The e-Office solution is hosted on Oracle Cloud, with the primary data center located in Mumbai and the DR site established in Hyderabad. Disaster Recovery (DR) drills are conducted semi-annually in compliance with regulatory requirements.**
6. Disclose any significant adverse impact to the environment arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard. **Nil**
7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts. **Not Applicable**
8. How many Green Credits have been generated or procured: **Nil**
  - a. By the listed entity
  - b. By the top ten (in terms of value of purchases and sales, respectively) value chain partners

**PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.**

**Essential Indicators**

1.
  - a. Number of affiliations with trade and industry chambers/ associations.  
**The Company holds membership of two (2) trade and industry chambers/ associations.**
  - b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

| S. No. | Name of the trade and industry chambers/ associations | Reach of trade and industry chambers/associations (State/National) |
|--------|-------------------------------------------------------|--------------------------------------------------------------------|
| 1.     | Indian Banks Association                              | National                                                           |
| 2.     | Indian Institute of Banking and Finance               | National                                                           |

2. Provide details of corrective actions taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities. **Nil**

**LEADERSHIP INDICATORS**

1. Details of public policy positions advocated by the entity: **Nil**

**PRINCIPLE 8: Businesses should promote inclusive growth and equitable development.**

**Essential Indicators**

1. Details of Social Impact Assessment (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year. **Nil**
2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format: **Not Applicable**
3. Describe the mechanisms to receive and redress grievances of the community. **In line with the Government's initiative for enhancing transparency and efficiency in grievance management, IFCI has made a significant advancement by integrating its Public Grievance Redressal Cell with the Centralized Public Grievance Redress and Monitoring System (CPGRAMS). This comprehensive national platform, which is managed by the Department of Administrative Reforms & Public Grievances (DARPG), serves as a centralized hub for lodging and resolving grievances across multiple sectors. Through CPGRAMS, citizens have the opportunity to file complaints regarding various public services, including those directly addressed in accordance with established national standards and within defined timelines, reflecting a commitment to timely and effective resolution. Additionally, a 'Service Request Portal'—a dedicated grievance redressal portal has been developed in-house by IFCI. All relevant contact details including email IDs, helpline numbers, postal address, and the link to access the Service Request Portal are prominently available on IFCI's official website.**
4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

|                                             | FY 2024-25<br>(Current Financial Year) | FY 2023-24<br>(Previous Financial Year) |
|---------------------------------------------|----------------------------------------|-----------------------------------------|
| Directly sourced from MSMEs/small producers | 9.76%                                  | 0.96%                                   |
| Directly from within India                  | 100%                                   | 100%                                    |

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost

| Location     | FY 2024-25<br>(Current Financial Year) | FY 2023-24<br>(Previous Financial Year) |
|--------------|----------------------------------------|-----------------------------------------|
| Rural        | 0                                      | 0                                       |
| Semi-urban   | 0                                      | 0                                       |
| Urban        | 0                                      | 0                                       |
| Metropolitan | 100%                                   | 100%                                    |

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

#### LEADERSHIP INDICATORS

- Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above): **No project was required to be assessed for their impact during the year under the regulatory requirement.**
- Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies: **Nil**
- Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups? (Yes/No): **Yes. IFCI has a Centralized Procurement Policy duly approved by Board of Directors.**
  - From which marginalized /vulnerable groups do you procure?  
**IFCI procures from following marginalized/ vulnerable groups: MSME Enterprises**
  - What percentage of total procurement (by value) does it constitute? **9.76%**
- Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge: **Nil as IFCI is not involved in intellectual properties owned or acquired by the company based on traditional knowledge.**
- Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved. **Nil**
- Details of beneficiaries of CSR Projects: **Nil**

#### PRINCIPLE 9: Businesses should engage with and provide value to their consumer in a responsible manner.

##### ESSENTIAL INDICATORS

- Describe the mechanism in place to receive and respond to consumer complaints and feedback.  
Resolution of investors' queries/ complaints/ grievances is given top most priority & attention by IFCI.  
The Company has appointed Registrar & Transfer Agents (R&TAs), for efficient redressal of investor complaints/grievances. Also, certain queries are directly redressed by the concerned department of the Company.  
Investor queries, complaints, and grievances are received by IFCI through various channels, both offline and online. Investors may directly approach IFCI using multiple options such as emails, helpline numbers, postal letters, or through the 'Service Request Portal'—a dedicated grievance redressal portal developed in-house by IFCI. All relevant contact details including email IDs, helpline numbers, postal address, and the link to access the Service Request Portal are prominently available on IFCI's official website.  
Queries or complaints received through email are generally responded to via email itself. In cases where a resolution requires additional time, an interim reply is also sent to the investor as a gesture of transparency and investor-friendliness.  
Additionally, investors may raise their concerns through external grievance redressal platforms such as SEBI's SCORES, the Centralized Public Grievance Redress and Monitoring System (CPGRAMS), and the RBI's Complaint Management System (CMS). Complaints received on these platforms are accessed and responded to by IFCI, and interim replies and/or action taken reports are submitted in coordination with the Registrar and Transfer Agents (R&TAs)  
In respect of bonds which are being serviced in-house at IFCI, all the complaints/grievances are replied by IFCI directly to investors.  
To ensure ease of access for investors, contact details of all R&TAs are also made available on IFCI's website.  
It is ensured that all investor grievances are resolved in a timely, transparent, and effective manner.  
Multiple initiatives have been taken by IFCI in order to reduce the investor grievances including streamlining and simplifying the procedure to redress the investor complaints. Following steps are now in place to reduce investor grievances including proactive steps like updation of KYC, sending Buyback Intimation Form, sending details of unpaid/unclaimed amount, provision of online portal, offline request and request through email, simplification of processes and providing helpdesk at IFCI office.

**Besides, investors' grievances and requests are also received on:**

- IFCI website through *Bondholders section*
- Email ID [complianceofficer@ifcilt.com](mailto:complianceofficer@ifcilt.com)
- Email ID [bondscomplianceofficer@ifcilt.com](mailto:bondscomplianceofficer@ifcilt.com)
- Email ID [infrabonds@ifcilt.com](mailto:infrabonds@ifcilt.com) for Infra Bonds
- Email ID [tier2bonds@ifcilt.com](mailto:tier2bonds@ifcilt.com) for Subordinate Bonds
- Email ID [ifcipublicissue@ifcilt.com](mailto:ifcipublicissue@ifcilt.com) for Public issue of Bonds
- Email ID [ppbonds@ifcilt.com](mailto:ppbonds@ifcilt.com) for Private placement bonds

To have better control on the resolution of investor complaints/grievances, the Investor Grievance Redressal Mechanism at IFCI Ltd. is closely monitored through structured monthly and quarterly reporting. Further, a monthly report, prepared as per the prescribed format of Department of Financial Services, is submitted to the top management, detailing the nature, status, turnaround time, and resolution of grievances. Additionally, a comprehensive quarterly report is presented to the Stakeholders' Relationship Committee (SRC) in compliance with SEBI (LODR) Regulations, covering category-wise data, unresolved issues, root cause analysis, and initiatives for reducing grievances. These reports, compiled on the basis of information received by the Registrar and Transfer Agent (RTA), aim to ensure timely redressal, adherence to timelines, and continuous improvement in investor service standards.

**Some of the common grievances received from Investors' are as below:**

- a. Correction of mistakes in security certificates
  - b. Issue of duplicate security certificate
  - c. Rematerialisation & Dematerialisation of securities
  - d. Transmission
  - e. Splitting
  - f. Updation of bank A/c, address, email ids
  - g. Corporate actions for bonds in lock-in period
  - h. Revalidation of warrants/ payment of unpaid amount
  - i. Status of Dividend/Shares/Amount transferred to IEPF.
2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

|                                                                                                       | As a percentage to total turnover |
|-------------------------------------------------------------------------------------------------------|-----------------------------------|
| Environmental and social parameters relevant to the product Not Applicable Safe and responsible usage | Not Applicable                    |
| 100%                                                                                                  |                                   |
| Safe and responsible usage                                                                            |                                   |
| Recycling and/or safe disposal                                                                        |                                   |

3. Number of consumer complaints in respect of the following:

|                                | FY 2024-25<br>(Current Financial Year) |                                   | Remarks | FY 2023-24<br>(Previous Financial Year) |                                   | Remarks |
|--------------------------------|----------------------------------------|-----------------------------------|---------|-----------------------------------------|-----------------------------------|---------|
|                                | Received during the year               | Pending resolution at end of year |         | Received during the year                | Pending resolution at end of year |         |
| Data privacy                   | Nil                                    | Nil                               |         | Nil                                     | Nil                               |         |
| Advertising                    |                                        |                                   |         |                                         |                                   |         |
