One of the key enablers of this growth culture is **the Structured Career Progression (CP) Model**, which offers step-by-step roadmaps for roles such as Sr. Guest Service Associate, Captain, and Sr. Range Chef. Each track is supported through an LMS app, video modules, and mentorship by senior chefs or restaurant managers. Since its launch in April 2024, over 3,000 employees have embarked on this path.

We further complement this with the **Barbeque Nation Leadership Academy**, operational in Delhi and Kolkata, which identifies high-potential employees and grooms them for key managerial roles. In the past year, more than 1,500 employees have been promoted through this program.

To ensure equal growth opportunities even for blue-collar workers from underserved backgrounds, we introduced the **'Breaking Barriers – Safalta ki Aur' program**, a 3-month concierge development course. It uses role plays, videos, and personalized mentoring to teach communication and service skills to employees with 10th-grade education or lower. This fosters inclusion and self-confidence in roles traditionally considered elite.
